### About the Company:

Alberta Dance Theatre provides an outstanding and unique program to dancers in grades 1-12 in Calgary through an intense 12-week program where dancers engage in a creative process alongside professional dance artists. It is through this educational experience that dancers not only learn to create choreography and gain performance training, but also develop skills such as creative problem solving, healthy risk taking, collaboration, and leadership. An annual production based off of children's literature, featuring original music, is presented in pop-up and professional theatre venues.

Before filling out this Scholarship Form we highly recommend dancers read through our "Audition" page on [www.albertadancetheatre.com](http://www.albertadancetheatre.com) to fully understand the program commitment.

### About the Scholarship:

Alberta Dance Theatre is offering the equivalent of 4 Full Program Scholarships for our 2022-2023 season. A Full Program Scholarship covers the dancer's tuition, fundraising contribution and volunteer hours completely. A Half Program Scholarship provides partial financial assistance towards the dancer's tuition, and/or partial or full coverage of the dancer's fundraising contribution, and/or partial or full coverage of the dancer's volunteer hours.
