Community.
Creativity.
Growth.

Tuition Tiers

Total Tuition Cost \$1800

Tuition can be paid with fundraising and volunteer contributions.

A \$400 non-refundable Tuition Deposit and a \$150 Casino Deposit is due at registration to hold your spot in Alberta Dance Theatre.

All families must contribute 10 volunteer hours and one casino shift. Your Casino Deposit will be returned after you fulfill your shift this fall.

The Show

- Based off a children's novel we seek the rights to annually
- Created by the ADT Youth Artists over 11 weeks facilitated by local professionals who apply or who are commissioned by ADT.
- Incorporates different genres of dance, theatre, movement vignettes, puppetry, masks, projections, and more.
- Original music composed in collaboration with the choreographers and Youth Artists.
- Professional Lighting Design.

"ADT fuelled [our children's] passion for dance, helped them build amazing friendships and allowed them to learn valuable lessons in dance and life ... Moreover, these kids are not merely dancers, they quickly become friends who feel more like family."
-ADT Parent

Volunteering

- Every family contributes 10 hours to get to know the Youth Artists, other families, and contribute to our "home away from home" culture.
- Range in tasks to suit skills and interests.
- Keep track of your sign ups and hours by taking a screen shot, writing in daytimer, etc. ADT updates you on volunteer hours at the season mid point and after the production.
- Sign up today to snag your preferred volunteer role.

Community First

- Our main purpose in ADT is to create an inspiring and imaginative family friendly show. This is a collaborative project between participants of various ages and dance experiences.
- We rely on the support of families to uplift the dreams of the participants and the ambitions of the company. Use compassion when interacting with each other and utilise the "pyramid of stress."
- It's a short and intense season but it is fun! We are here to celebrate art making, friendship and hard work.
